

## **A prayer**

May the love bond of Brethren,  
Be the grace that serves,  
A higher well-being.

Amain.

The knowledge of self,  
Thrive death vigorously,  
In the quest of mystical knowledge,  
Better may we understand our Maker,  
The Almighty, and Supreme God.

Amain.

That our thoughts,  
Our words,  
Our actions,  
Bring about peace and fellowship,  
Into the hearts of all.

Amain.

**Note:** Amain is an adverb

1. With might; with full force; vigorously; violently; exceedingly.
2. At full speed; in great haste; also, at once.
