

## **Loves Embrace**

May the love bond,  
Shared by you,  
Be with you for eternal.

Never forgotten,  
Or to fade away,  
Like a dream from yesterday.

May your blessings,  
Bring with happiness,  
That is true.

Finding all that you need,  
A strength that comes from,  
An oath in embrace.

May the joy,  
From fountains youth,  
Pour forth comfort.

Sealed into your hearts,  
Untouched by others,  
For each other.
